Composed of a diverse membership of business leaders, academics and professionals, CAPP-USA is the American arm of the Vatican based *Fondazione Centesimus Annus Pro Pontifice* founded by Blessed John Paul the Great in 1993 to support lay leaders in bringing Catholic Social Teaching to bear in all aspects of society. Today, more than ever, it is time for Catholic laity to assert themselves as right and appropriate leaders in the "struggle of our times" against radical secularism and relativism.
