ANNOUNCING A Conference and A Challenge

Reduce Hunger: Pope Francis' Call For New Approaches

* * * * *

This CAPP-USA/Fordham University conference is a response to a challenge Pope Francis issued in his 2017 World Food Day address at the United Nations Food and Agriculture Organization (FAO) where he encouraged a "*broad and sincere dialogue...to find new ways...the best solutions...to confront hunger and structural poverty in a more effective and promising way.*"
