Prelude

Dr Nianbo Wu, Founder and Chairman of Suzhou Good-Ark Electronics Co. Ltd. revives “Family Culture”, since 2001, to run his company as a big family and cares for its employees as family members. Chairman Wu is committed to build a federation of 20 corporations which share the same dream and vision with him, to spread the teachings of the sages and bring happiness to mankind.

Education is a Priority

Classroom for each department

Education is a Priority

Annual learning hour per person = 300 hours

- Each Good-Ark sponsored Blessed Child receives yearly 800 RMB education allowance;
- Two-child family receives yearly 4000RMB education stipends for their children until their children reach the age of 16.

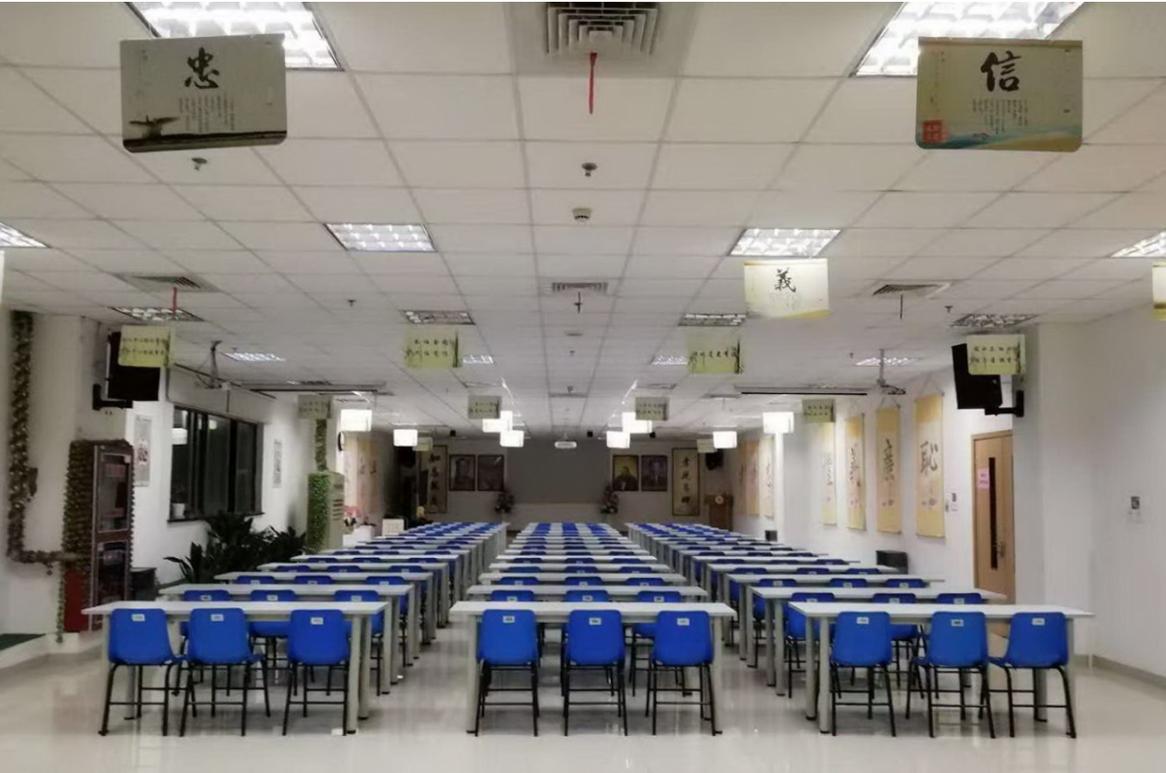

Summer camps for children of our staffs. The parents were amazed at the transformation of their children in just 7 days!

The Three Aspects of Education

primary education,
the most important teaching,
the most venerated transformation.

Chinese culture shares more concordances than discordances in respect to *Laudato Si*, and young people are looking to us to practice virtue so that they can believe and work hand in hand with us.

*In praise of Pope Francis's
work for humanity.*

Thank you.
