David Cheboryot

E4Impact Foundation- Director, E4Impact Entrepreneurship Centers
Kenya

Summary

David Cheboryot is the Director of Entrepreneurship Centres – Africa with E4Impact Foundation where his key role is to provide strategic leadership for the Centres in Kenya, Uganda, Ethiopia, Zimbabwe, Ghana, Tunisia and Cameroon. These Centres offer a myriad of services to local entrepreneurs including capacity building, coaching, mentorship, links to markets and funding opportunities. Within the Centres, he leads the design of the entrepreneurship curricula that is being utilized and he is the the Lead Trainer and Coach in Business Strategy, Business Model Design, Scaling of Enterprises and Social Impact Measurement.

Previously, he was the East Africa Manager for E4Impact Foundation (Entrepreneurship for Impact) that is a spin-off of the Business School of the Catholic University of Milan Italy. He is the lead impact entrepreneurship trainer for the program in this region where they have trained more than 900 Impact entrepreneurs who are currently running successful Ventures in various countries in Africa. His key role is to support the East African Universities to embed and run the MBA programs in Social Entrepreneurship.

David has wide experience in business consultancy, coaching and mentorship that is evidence-based and uses social and market data within and outside an enterprise as a catalyst for socio-economic change. He is focused in building the power of social ventures & Enterprises into social enterprises and socio-economic empowerment programs.

He holds a law degree from UON, A master's degree in strategic management from the Catholic University of Milan and is currently pursuing his PhD in Social Entrepreneurship.

He has teaching engagements in the E4Impact MBA programs on social entrepreneurship MBA at Tangaza University College, (Kenya), St.Mary's University (Ethiopia), Catholic University of

Zimbabwe, University of Rwanda as well as being a Lead Trainer and Business Builder at the E4Impact Accelerator, Nairobi-Kenya.
